

Allowing LPFM to take over Air 1's frequency would be disasterous. I listen to it every day with my 12 year old son. He listens to this good christian music that portrays hope, faith and goodwill instead of the junk that is played on secular radio. Most children his age are listening to music that promotes guns, violence and sex and that does not set a good example. But AIR 1 does, don't let it be taken over by LPFM
